

Higher Education Reform

The dire federal fiscal circumstances may force significant changes in the funding and regulation of higher education. That needs to be anticipated and channeled into much-needed improvements including a rededication to open inquiry, and rejection of speech suppression alleged to be part of systemic racism or offensive on other grounds.

Revisit this page, periodically, to observe our progress in this research area. Hopefully, by your next visit, we can announce proposals and requests for proposals for specific projects. Once we have an analysis completed, we will commission a review from a scholar likely to be a basis for civil, informed disagreement, and create conversation forums for further assessment.
