

Virtuous Language Police – an IOPA Tier One Policy Issue.

Polite condemnation of counter-productive language and terminology is an essential aspect of elevating policy discussions.

This is the current [Annotated Table of Contents](#) for a planned (~2/3 complete first draft) book, ***A Virtuous Language Police***. Request a chapter draft to comment on. Suggest additional chapters. Some assertive samples: 1) There is no such as 'Clean Energy;' 2) We haven't had a federal budget in over 20 years; and 3) Lives are prolonged, not saved.

Revisit this page, periodically, to observe our progress in this research area. Hopefully, by your next visit, we will have a complete first draft of the book. Like other IOPA products, the second stage is informed, civil disagreement with our initial findings. Conversation forums will deliver further assessment.
